Dear President or Manager:

The Illinois Department of Public Aid and the Illinois Bankers Association (IBA) have worked together over the past several months to develop the enclosed Agreement for Financial Institutions Data Match Services. In addition to the IBA, this Agreement has been reviewed and approved by the Illinois Credit Union League (ICUL), the Community Bankers Association of Illinois (CBAI) and the Illinois League of Financial Institutions (ILFI).

Entering into this agreement will allow both the Department and your institution to comply with the provisions of 305 ILCS 5/10-24.5, permitting the Department to acquire information from financial institutions by way of a data match system. This information will be a valuable resource in the Department's ongoing effort to collect past due child support.

The Agreement consists of seven pages and four one page exhibits labeled Exhibit A through Exhibit D. The executed Agreement and its exhibits shall be returned to:

Illinois Department of Public Aid
Attn: Brad Palmer
509 South Sixth Street, 2nd Floor
Springfield, IL 62701

If your institution utilizes a Service Agent, please provide that Service Agent's federal taxpayer identification number (TIN), along with the Service Agent's address, in Exhibit B.

We thank you in advance for your involvement and cooperation in this worthwhile cause. We look forward to working with you on the successful implementation of a process that will greatly benefit the children of the State of Illinois.
